*come and sit with us
because we miss you*

an interactive art installation
& weekend of storytelling

I miss storytelling and the quiet sounds of water. I miss you, and the sky and everyone in between. So join us for a weekend of stories, art and conversation. Bring your friends, bring a story, bring a pillow and don't forget your imagination.

November 10 and 11th | 6pm until 10pm

Solar One | East 23rd street and the East River
